GRAND JUNCTION DERBY AND STREET FESTIVAL THIS SATURDAY
WILL FEATURE INTERNATIONAL RACING CHAMPION DEREK DALY AS GUEST EMCEE

Westfield, IN- Westfield's answer to the Indianapolis 500 will happen this Saturday October 4th, as the city's downtown becomes the setting for the Grand Junction Derby.

"The Grand Junction Derby is one of Westfield's best traditions," Parks Director Melody Jones said. "Now in its sixth year, the derby allows Westfield's residents, nonprofits and businesses to build and race their own unique cars right in the heart of downtown Westfield."

The homemade cars will compete in bracketed heats until winners find their names going up on the Grand Junction Derby Cup trophy. Cars are entered into the "creative" or "competitive" brackets, and drivers are encouraged to wear costumes that complement their car's theme.

This year's race will feature international racing champion and Westfield resident Derek Daly, who will emcee the event. The derby also features a tricycle race, street festival with food and beer, live music kid's activities and more.

The Grand Junction Derby and Street Festival lasts from 3 – 7 p.m.
